

God came down to Earth in human form in the person of Jesus Christ to save us from our sins, suffering and death.

Death is the just punishment for sin. But because God loved us, Jesus took our punishment, suffered and died paying for our sins with His own blood.

After Jesus died and was buried in the tomb, He physically resurrected on the third day proving His power over sin and death forever.

Jesus appeared to His disciples thoroughly proving His resurrection and then ascended into heaven to reign as our Lord and Savior.

Jesus is patiently waiting for sinners to repent but He will return and take to Heaven with Him those who believe and obey the Gospel of Christ.
